

How to do it with your Jimmy Bo

Jimmy Bo 200 & 300

Jimmy Bo 400 & 500

While Jimmy Bo is extremely handsome when he **hangs from your shoulder** he can also be worn comfortably **around your waist** using the **same strap**

Wow! Look at this **3rd leg** which can be used to fix his position when the action starts (if Jimmy is a big one)

While sitting at your mom's coffee party your **3rd leg** can be hidden inside Jimmy Bo's **strap pocket**
